BATTLE TACTIC CARDS

Battle Tactic Card	Card	Affray	Strike	Domination
Siege of Ashes		Form a Wall: You complete this battle tactic at the end of your turn if 2 or more friendly units are wholly outside friendly territory, wholly within 6" of friendly territory and within 3" of each other.	Outpost Territory: You complete this battle tactic at the end of your turn if you control an objective within enemy territory and that objective is contested by: • At least 1 friendly unit that did not use a **Move** ability this turn • At least 1 other friendly unit that charged this turn.	Repel the Attackers: You complete this battle tactic at the end of your turn if there are 3 or more friendly units within 3" of the centre of the battlefield that are not in combat.
Burning for Vengeance	At the start of the battle, after using all Deployment Phase abilities but before determining which player will take the first turn, pick an enemy **Hero** on the battlefield or in reserve to be the **fugitive** for the rest of the battle.	Search Every Inch: You complete this battle tactic at the end of your turn if there is a different friendly unit wholly within each large quarter of the battlefield, those friendly units are more than 9" from the centre of the battlefield, and no more than 1 of those friendly units was set up this turn.	Quick Pursuit: You complete this battle tactic at the end of your turn if 1 of the following is true: • There are 3 or more friendly units that are not in combat and are within 12" of the enemy **fugitive**. • There is no enemy **fugitive** on the battlefield.	Bring Them In: You complete this battle tactic at the end of your turn if 1 of the following is true: • There are 3 or more friendly units in combat with the enemy **fugitive**. • There is no enemy **fugitive** on the battlefield and 3 or more friendly units are contesting the same objective that is wholly outside friendly territory.

PRAYER LORE

Ability (Prayer)	Timing	Chanting Value	Declare	Effect	Keywords
Benediction of the High Heavens	Your Hero Phase	3	Pick a friendly **Cities of Sigmar Priest** to chant this prayer, pick a visible friendly **Cities of Sigmar** unit wholly within 12" of them to be the target, then make a chanting roll of D6.	**Heal (D3)** the target and the chanter. If the chanting roll was 7+, **Heal (D3)** each visible friendly **Cities of Sigmar** unit wholly within 12" of the chanter instead.	**Prayer**
Holy Aegis	Your Hero Phase	3	Pick a friendly **Cities of Sigmar Priest** to chant this prayer, pick a visible friendly **Cities of Sigmar** unit wholly within 12" of them to be the target, then make a chanting roll of D6.	If the chanting roll was 7+, you can pick another eligible unit to be a second target. Until the start of your next turn, ignore the first damage point that would be allocated to each target in each phase.	**Prayer, Unlimited**
Reckoning of Sinners	Your Hero Phase	5	Pick a friendly **Cities of Sigmar Priest** to chant this prayer, pick a visible friendly **Cities of Sigmar** unit wholly within 12" of them to be the target, then make a chanting roll of D6.	If the chanting roll was 10+, you can pick another eligible unit to be a second target. Until the start of your next turn, enemy units have a maximum control score of 1 while they are in combat with any of the targets.	**Prayer**

DAWNER'S TRIUMPH

Unit	Move	Health	Save	Control
Dawner's Triumph	-	8	4+	-

Ability (Passive)	Keywords	Effect
Ward Save		In step 1 of the damage sequence (see 18.0), make a **ward roll** of D6 for each **damage point** in this unit's **damage pool**. If the roll equals or exceeds this unit's **ward value**, remove that damage point from the damage pool.

Ability (Activated)	Timing	Declare	Effect	Keywords	Used By
Hauled to War	Once Per Turn (Army), Reaction: You declared the 'Normal Move' ability for a **Cities of Sigmar Infantry** unit within 3" of this terrain feature		After the 'Normal Move' ability has been resolved, pick a point on the battlefield within 1" of the unit that used that ability and within 6" of this terrain feature. Remove this terrain feature from the battlefield and set it up again within 1" of that point and more than 3" from all enemy units.		
Fury of the Faithful	Any Combat Phase	Pick a visible enemy unit within 6" of this terrain feature to be the target.	If this terrain feature is in combat, apply the effect below. Otherwise, roll a dice. On a 3+, apply the effect below. For the rest of the turn, melee weapons used by friendly **Cities of Sigmar Infantry** and **Cavalry** units have **Crit (Auto-wound)** for attacks that target that enemy unit.

Battle Damaged		While this unit has 10 or more damage points, the Attacks characteristic of **Infernadine's Leonine Jaws** is 2.
Ward Save		In step 1 of the damage sequence (see 18.0), make a **ward roll** of D6 for each **damage point** in this unit's **damage pool**. If the roll equals or exceeds this unit's **ward value**, remove that damage point from the damage pool.
Fly		As this unit moves, it ignores other models, terrain features and the combat ranges of enemy units. It cannot end its move in combat unless specified in the ability that allowed it to move. Ignore any vertical distance moved for this unit.

Ability (Activated)	Timing	Declare	Effect	Keywords	Used By
Combat Tactician	Enemy Hero Phase	If this unit is not in combat, pick a visible friendly **Sigmarite Infantry** unit wholly within 18" of it and that is not in combat to be the target.	The target can immediately use the 'Normal Move' ability as if it were your movement phase. In addition, the target is **under orders** for the rest of the battle round.		
Lead from the Front	Once Per Battle, Any Combat Phase	If this unit is in combat, pick each visible friendly **Sigmarite** unit wholly within 12" of this unit to be the targets.	Add 1 to hit rolls and wound rolls for the targets' combat attacks for the rest of the turn.		
Paralysing Venom	Any Combat Phase	Pick an enemy unit in combat with this unit to be the target.	Roll a dice. If the roll is equal to or less than the target's Health characteristic, subtract 1 from wound rolls for the target's attacks for the rest of the turn.	**Rampage**
